

Environmental Sustainability Behaviour Change Plan

Number	Topic	Theme	Action	Graphic description
1	Energy	Energy Conservation	Switch off electronic devices after use	
2		Energy Efficiency	Plan your energy consuming activities that rely to run interruptedly where possible	

Number	Topic	Theme	Action	Graphic description
2		Energy Reduction	Reduce or shed peak time electricity use if possible	A graphic showing a glowing yellow lightbulb with rays emanating from it, set against a grey background with a repeating pattern of small, faint lightbulb icons. The entire graphic is enclosed in a red rectangular border.
4	Water	Water Conservation	Switch off the source of water supply completely after each use	A graphic showing a hand reaching down to turn a grey faucet handle. A small blue puddle of water is visible on the surface below the faucet. The background is white with a repeating pattern of small, faint faucet icons. The entire graphic is enclosed in a black rectangular border.
