

Environmental Sustainability Behaviour Change Plan

Number	Topic	Theme	Action	Graphic description
1	Energy	Energy Conservation	Switch off electronic devices after use	
2		Energy Efficiency	Plan your energy consuming activities that rely to run interruptedly where possible	

2		Energy Reduction	Reduce or shed peak time electricity use if possible	A yellow lightbulb icon with rays emanating from it, set against a grey background with a repeating pattern of small lightbulbs. The entire icon is enclosed in a red rectangular border.
4	Water	Water Conservation	Switch off the source of water supply completely after each use	An illustration of a hand turning a faucet handle, with a small blue puddle of water below the faucet. The icon is enclosed in a blue rectangular border.
